What do you believe about justice and retaliation?

Do you have experience with “getting even” with someone?

How did it feel?

Did it help?

What do you think it means to turn the other cheek?

What does “going the second mile” mean to you now?

Who are your enemies?

What are your thoughts about them?

What prayers might you need to pray for them?

Why might God ask us to also give a coat to the person who just sued the shirt off our back?

What are you learning about the old way of being right and the new way?

What activities help you feel in the presence of God?

What is the effect on you of being in God’s presence for a while?

What effects are there in your spirit or attitude and feelings about other people after you are in God’s presence for a while?

How can you make place in your life for those activities that that put you in God’s presence?
