

## THINGS TO THINK ABOUT by John Nordstrom, Sr.

9-6-20

As we enter the seventh month of the Covid-19 pandemic, let's take a few moments to reflect for the pandemic has challenged us all in various ways.

Scientists are working feverishly to see who will come up with the vaccine to free us from this pandemic.

We all agree this morning, Covid has been a nuisance. Soon, or whenever it comes we can get back to normalcy.

Yes, Covid has had its downside. It has brought inconvenience to all of us.

Churches were empty on Easter.

How did the loss of this worship experience affect you?

Does the increase in divorces, suicides that are happening surprise you?

How about our children returning to school, day care?

Now let's consider the upsides to the pandemic.

The news has been full of heartwarming stories regarding ways that people have found past the inconvenience of the moment.

How has Christ Community adapted to this period of time?

Do you feel that Covid-19 has anything to do with it being the last days?
